

**INSTRUCTIONS**

```
graph TD; A[INSTRUCTIONS] --> B[let func...in() end]
```

The diagram consists of a light gray rectangular background. Inside this background, at the top, is a white rectangular box with a thick black border containing the word 'INSTRUCTIONS' in blue, bold, sans-serif capital letters. A thick black arrow points vertically downwards from the center of the bottom edge of this box to the top center of another white rectangular box with a thick black border at the bottom. This second box contains the code 'let func...in() end' in blue, bold, sans-serif font.

**let func...in() end**
